UMC receives approval for new residence hall

By Elizabeth Tollefson on Tuesday, February 22, 2005

Crookston, MN (02/22/05) – The University of Minnesota Board of Regents approved to amend the fiscal year 2005 capital budget by \$4.3 million to incorporate funding for a new student housing project on the University of Minnesota, Crookston (UMC) campus. The project was part of the four capital budget amendments that were recently approved by the Board of Regents. The \$4.3 million appropriation includes both the University’s cost and the construction cost for the project.

Joe Massey, CEO of UMC said, “We are very pleased with this decision by the Board of Regents. This new facility will be a wonderful addition to our campus.” The new residence hall will be an 81-bed facility, with a commons area, and housing for administration. As part of the project, an atrium will join the new hall to Westside apartments. Construction is set to begin in May 2005 and completed in the fall of 2006.
